Covid-19 Policy

Wearing a face mask during class is optional.

We follow the State Department of Education and Public Health guidance known as "test, mask, go". Our students should stay home if they have any respiratory virus symptoms and self-test for COVID-19.

- 1. Those who don't have a fever, don't have a household member with a known COVID-19 infection, and test negative for COVID-19 can come back to class, but should use a mask. Those who have a fever should stay home, regardless of which infection they have.**
- 2. Students who test positive for Covid-19 should remain home for five days and then wear a well-fitted mask for days six through 10.**
